

shall be on bad or heavy grades, and that this road fund to be applied on said four roads in addition to the public labor performed on the same.

SEC. 40. It shall be the duty of the board of county commissioners, whenever it is ascertained that a sufficient amount of said road fund is in the hands of the county treasurer, to appoint an energetic and competent foreman on each of said four roads, whose duty it shall be to employ laborers to maintain and repair the different sections of said four roads and distribute the labor along said sections to the best advantage for the traveling public and the keeping of said roads in good condition and repair. It shall be the duty of each foreman to keep a just and accurate account of the number of days work performed by each laborer, the amount due each, and render a true account of the same, sworn to, to the board of county commissioners monthly, and said laborers shall be paid for their services by the county treasurer out of said road fund upon an order signed by the foreman and approved by the chairman of the board of county commissioners; and the compensation of said foreman shall not exceed two dollars per day for his services and shall be paid by the county treasurer out of said road fund, apportioned for the section, upon an order signed by the chairman of the board of county commissioners: *Provided*, it shall be lawful for the board of county commissioners to apply a portion of the road fund due on each of said roads for the purpose of furnishing blasting material, tools, and implements, and for the purpose of erecting, maintaining, and keeping in repair bridges across small streams on that section of said road, and it shall be the duty of each foreman to care for and return such blasting material, tools, and implements to said board of county commissioners or to any person whom they may designate, when ordered so to do.

Appointment of foreman.

Foreman to return sworn accounts.

Pay of foreman.

Proviso: expenditures for bridges.

SEC. 41. That the board of county commissioners are hereby authorized and empowered to furnish to the board of supervisors of the several townships in their county blasting material and tools used for blasting for the purpose of building and keeping in repair the public roads in the county whenever the same are necessary.

Material and tools for blasting.
